▶ INTRODUCTION | INTRODUCCIÓN

Integral and minimalist design in the Kitchen

Neolith conceived the world of cooking as an environment in which coexist design and functionality, elegance and durability.

The Neolith Kitchen Lounge line, provides a more comprehensive and minimalist kitchen incorporating the Neolith Sinks, made of the same material as the kitchen countertop.

Neolith Sinks, an element of extraordinary features that presents an integrated and functional kitchen concept.

Diseño Integral y minimalista en la Cocina

Neolith concibe el mundo de la cocina como un entorno en el que conviven diseño y funcionalidad, elegancia y durabilidad.

La línea de cocina Neolith Kitchen Lounge, permite otorgar un aspecto más integral y minimalista a la cocina al incorporar la línea de fregaderos, Neolith Sinks, realizados del mismo material que el utilizado en la encimera de cocina.

Neolith Sinks, un elemento de características extraordinarias que presenta un concepto de cocina integrado y funcional.
